Established in the year **1989**, **Sneh Toys** is a well-known organization engaged in the business of manufacturing and trading.

## About Us

Established in the year **1989**, **Sneh Toys** is a well-known organization engaged in the business of manufacturing and trading a superlative collection of products including **Table Top Crystal Frame, Photo Glass Frame, Iphone Mobile Case, Printed Sublimation Plate, Plain Rectangle Puzzle** and **Sublimation Tile**. These offered products are widely valued for their strong and robust nature. Making use of premium grade basic material and advanced tools and techniques, these are developed at our end under the stern supervision of skilled executives of our crew. Moreover, these are obtainable in different standard and provisions with us and could be customized to meet with the patron's changing requirements.

We are readily involved in offering outstanding quality products to our customers. Since we are backed by our marvelous team of highly skilled employees, quality is one arena where we stand apart from the competition. Moreover, to ensure the quality of our provided range of products, we make sure that these are made under the strict guidelines by trusted authorities in order to attain maximum level of client gratification. The personnel under which these are being developed are some of the best and qualified personnel available in the industry and thus are completing all the tasks within the promised frame of time.

Under the support of our esteemed mentor, **Mr. Suryanarayan**, we have earned a reputed niche for ourselves in this...
