About Us

We are brokers based in Chennai, India, focused to supply broad range of Industrial and Water Treatment Chemicals for various Industries. Our specialisations include FlourSpar, RO Systems, Boiler Water Treatment Chemicals, Cooling Tower Chemicals, ETP, Evaporators Chemicals and many more. Being a mix of young, dynamic and experienced team, we have vast experience in providing comprehensive and integrated environmental solutions, all under one roof. We specially provide immense importance to reliable, low maintenance systems of high economic efficiency, in-short sustainable, eco friendly and innovative solutions. Our main areas of focus are Pollution Prevention through Recovery/Reuse, Resource Conservation, Water Treatment/Disposal and Water management. We always believe in serving our clients in ethical and cost effective way. For this we make sure, that all our chemical products pass through stringent quality checks before it is delivered on site. We henceforth guarantee safe, professional and competent handling of products, as may be required by you. Our technical expertise in this field has led us to make a name across the industry with major league players joining hands with us. We assure you that you can benefit the most from our expertise in product applications and technical requirements in the same. Following factors has enabled us to achieve a privileged position in the market in a very short span of time:

- Contemporary...
