About Us

SNK Processors established in 1996 under the able guidance of **Mr. H.P. Sharma** is into the business of providing fabric-printing services to the textile industry. Ever since its inception, it has believed in providing novel and creative design to its client?s along with quality service. With the steady efforts of our team, we have achieved a position of being the leading supplier for fabric printing solution in both the domestic and export market. Our expertise lies in various forms of fabric printing such as Flock Printing, Rubberized Printing, Procion Printing, Block Printing, Tie & Die Printing, Silk Printing, Woolen Printing, Batik Printing etc.

Our creative expertise accompanied by strong infrastructure and diligent team has helped us in meeting the bulk requirements of our clients. We purchase superior quality raw material from reputed vendors in the market. The team uses Eco-friendly dyes for dyeing the products. Further, we also have the expertise to meet the customized needs of our clients. Our Quality team is continuously involved in upgrading the organization?s processes from time to time along with changing trends of the industry.

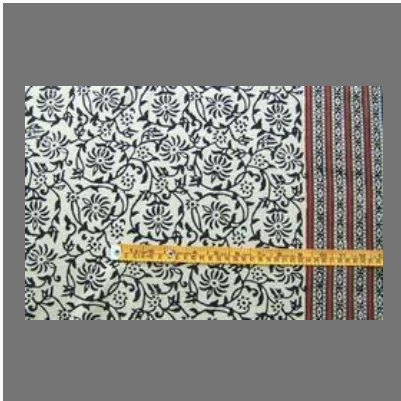

We use production methods that influence both the design aesthetics as well as styles. With the use of latest fabric printing technology, we have revolutionized the area of printed textile design. Our professionals provide quality digital textile printing solution, where there is no...
