Moreover, we follow moral business policies and crystal pure transparency in all our transactions to keep healthy relations with the customers.

Our firm was started by Lalit Kumar Rakhecha, a qualified Chartered Accountant. After seeing the difficulties of Desktop Publishers (DTP) who were purchasing very exorbitant priced toner cartridges he shifted his focus from computer consumables to the computer printing and imaging industry. Mr. Lalit is a pioneer “Re-Use” industry as he is among the first entrepreneurs in India to do Recycling of Laser toner Cartridges and trade in refilling and refurbishing raw materials. Remanufacturing of toner cartridges came to his mind when he studied the aftermarket industry of USA and Europe. Thus, our firm ventured into remanufacturing of toner cartridges by installing imported machinery from the UK and testing lab with more than 80 printers to check...
