

# Alpha Impex (solar Division)

<https://www.indiamart.com/solarsystem/>

We are one of the leading manufacturers, suppliers and exporters of an extensive range of Solar Products and LED Lights. Further, we provide complete on-site support to our clients as per their demands.

## About Us

Established in the year **2007**, we, “**Alpha Impex**” are an illustrious manufacturer, supplier and exporter of various types of **Solar Products** and **LED Lights**. We use latest machinery and equipment for improving the durability and performance of our products. The impressive array of solar products supplied by us is known for its reliability, superior performance, easy operation, less maintenance and low electricity consumption. Our LED lights are appreciated for their long lasting life, reduces greenhouse gas emission, long term warranty against defects and low cost. We provide after sales support to our clients, which includes complete on-site assistance to them. Our experienced and qualified team allows us to bring out some of the internationally designs, according to the wishes of the clients. Besides, this team ensures that we properly offer buyer label to our long list of clients. The R & D unit strives towards continually bringing out certain improvements and changes in the existing range to meet the current market scenario. We offer customized solutions & packaging to our clients located in **Indian Subcontinent, East/Middle Africa, Middle East** and **South East Asia**. Under the patronage of our mentor/CEO/MD/chairman/owner, '**Mr. Pankaj P Sinha**', we have effectively designed a wide range of products. He holds around **10** years experience in this particular domain, which has...
