About Us

Inspite of a worldwide slowdown, India is still in its defined growth path and showing positive signs of market development and is a sure market for present and future for almost all kinds and style of products. Companies and Brands are still entering India and creating markets for themselves and surely once this slowdown is over India will be and still one of the fastest growing economies in the world. This has created a strong need for efficient and cost-effective professional services for market entry, business development and troubleshooting

To meet this challenge The Solution Providers, A Business Consulting Organization (based in the Indian capital NEW DELHI), with over 15 years of experience in providing right directions to various companies, offers its services to you. Our core team and associates are known names in their respective areas which helps you to deal with us, as a one-stop shop for all your information and coordination needs from INDIA.

From Geographical data to complex government policies to background information of the potential partners, we customize the solutions and information as per your needs.

The Solution Providers is a Business Consulting firm spearheaded by Deepak Khandelwal and impeccably supported by associates and colleagues in its endeavors. Deepak Khandelwal, a management graduate, is a resident of the National Capital New Delhi with exposure to most of the major cities of India he has exposure to overseas business...
