

Solvers India

<https://www.indiamart.com/solvers-india/>

Offering HR consultancy services and placement services for call centers candidate and event management companies.

About Us

There is large manpower and talent in Coimbatore and considering immense employment opportunities available in India, we are providing our placement services. With our excellent networking and a sound data bank of approximately 50,000 potential candidates from various categories (like candidates for call center jobs, IT professionals, sales executives, export executives, computer operators, receptionist, admin / HR executives, secretaries , technical staff, engineers, accountants, purchase officers, production managers etc), we have an access to an astonishing number of job seekers. When clients entrust the management of an event to solvers India, they are assured the best services. From the very beginning, a specialized team for the project works with the client to understand their expectations from the event. The team then formulates the most appropriate strategy which will provide the best results in accordance with the available budget.
