## About Us

Based in India, we handle the entire production process right from growing the produce to processing and packaging it for overseas markets. This ensures that our products meet the most stringent quality standards. We have a team of qualified professionals who are experts in their domain. They have been taught to follow the best industry practices and hygiene, this is followed meticulously. Their work complements each other and this brings in high levels of productivity.

At Vict Agri, we give you the assurance of high quality products, competitive pricing and excellent warehousing. We promise timely delivery as we have a wide distribution network and strong logistic support.

We normally purchase all commodities from farmers and Harvesting Areas (known as "MANDIS/APMC") from all over India. Our own/associates Warehouse, Processing and Cleaning Unit is situated at Product Growing area wise. It is well connected by Road, which facilitates faster delivery of goods to our Warehouse from all parts of India. The goods delivered to our Warehouse are stored in ideal conditions. The proximity of our warehouse to the port helps in making shipments quickly and safely. The goods undergo the following processes "We enjoy proximity to Mundra, Kandla and Pipavav ports as we are located in Amreli. This ensures that our products like Sorghum, Wheat, Onion, Maize, Garlic, Chilli, Barley can be quickly shipped to their destinations."
