About Us

Company Profile Sonai Furniture started operations in 2003 manufacturing Fully Powder Coated Wrought Iron Furniture in Siliguri, West Bengal which is a first of its kind in entire north-east India. Guided by the drive of its workforce and the dedicated staff and production teams within a very short span of time Sonai Furniture has carved a niche in the market and has established itself as a reputed manufacturer of world class furniture, now supplying Wrought Iron & Stainless Steel Furniture to quality retail outlets in north-east India through approx 300 retail stores across West Bengal, Bihar, North-East India, Including Kolkata ? Guwahati ? Gangtok ? Patna ? Shillong & the number is increasing. We also manufacture Pharmaceutical furniture's as per order of Pharmaceutical companies like, Cipla, Sun, Golden-Cross, Intas, Zydus-Cadilla etc. for their manufacturing plants at Sikkim and around. Driven by our passion for furniture making and the growing demand in the Indian market for high quality, affordable, contemporary & Innovative furniture, we present Sonai Furniture as our retail offering to the Indian consumer. Our endeavor is to bring to homes across India, world class furniture that stands apart for its quality, durability and meticulous design. Well thought out and global in its appeal, furniture designs are modern, straight lined and classic, with design influences from some of the most fascinating cities of the world. Sonai Furniture's success has only been...
