

Soni Steel Agency

<https://www.indiamart.com/sonisteelagency/>

We are the leading manufacturer and supplier of an extensive range of steel, hospital and wrought iron furniture. In addition to this, we also offer fabrication services for various industrial equipment and aluminum composite panels.

About Us

Established in the year 1986, we, "Soni Steel Agency", are one of the prominent manufacturers and suppliers of an extensive range of steel, hospital and wrought iron furniture. In addition to this, our company also offers fabrication work for Aluminum Composite Panels. Our products find wide application in hospitals, nursing homes, health centers and many other places. Our products have earned credibility in the market for the premium quality we offer. The raw material is procured from the most reliable and trustworthy vendors all over the country. Further, the products are manufactured with the most advanced technology under the supervision of our skilled personnel. There is a well qualified and trained team of professionals, which constantly monitors the manufacturing, storage, quality and dispatch of products. In addition to this, we also provide the products and services as per the specifications of our clients. Under the able guidance of our mentor, "Mr. Rajendra Tiwari", our company has managed to touch the epitome of success. It is due to his extensive experience and entrepreneurial skills that we have been able to create a wide client base all over the country.
