About Us

Sonthalia group of companies has established its presence in the business of Iron & Steel Rolling Mills and Real Estate Development and further expanding its portfolio into various other segments. Over a period of time, Sonthalia is known for providing quality life-style living solutions in the city of Hyderabad in India.

Sonthalia Properties is rapidly progressing in Real Estate Development in Hyderabad. Today Sonthalia Properties is one of the most trusted names in the field of Real Estate. The company has forayed in wide spectrum of real estate projects catering to the need of residential and commercial segments in Hyderabad. Residential projects include residential-plots, premium apartments, villas and row houses that are provided with state-of-art amenities elevating living solutions. Commercial projects include providing office spaces at prime locations in the city.

At Sonthalia, we are committed to build places where people can live life with peace and happiness. As per the guidelines of World Green Building Council (WGBC), we work towards constructing buildings that reduces environmental damage to the surroundings and provides a healthy and safe working and living environment to people living thereby. We strive to build places that balance environmental responsibility, resource efficient, occupant comfort, well-being and community sensitivity. By constructing ventures that are surrounded by the best neighborhoods, amenities, facilities and environment,...
