About Us

We, Special Steel Udyog, are one of the topmost manufacturers, exporters and suppliers of a wide variety of ALL KINDS OF Rolls that find several industrial applications. These are made based on the Centrifugal Casting as per the European Technique. These are highly durable, precision-engineered, have a longer shelf life and made with quality materials of construction. These are also reasonably priced and are resistant to prolonged wear-tear and corrosion. Incorporated in the year 2001, under the entrepreneurial guidance of our owner, Mr Mohammed Rashid Sheikh, we have surpassed the expectations of our clients’. We have developed long lasting relationships with our customers who are spread all across the globe. Our turnover has also scaled up to US$ 1-10 Million (or Rs. 4-40 crore approx.) in a short span of time. We supply almost 20-40% of our range and cater to the growing needs of a large number of industrial establishments. Our state-of-the-art infrastructure, growing team of experts and a well-established distribution network have together defined our path to success.
