About Us

Since **2000**, we, "**Spectra Services**" are one of the reckoned **manufacturers, traders and importer** of an extensive range of all types of **Curtain Rod Finials, Window Blinds, Insect Screens, Aluminum And SS Mesh, Glass Skylight, UPVC Window** and many more. These are manufactured by using superior quality of material bases that is sourced from reliable vendors of the industry. These are highly appreciated for their various outstanding features like sturdy construction, easy installation, water & termite resistance, accurate finish and alluring designs & patterns. Owing to the unmatched attributes, these are extensively used in homes, office, restaurants and other embellishments for enhancing the interior decor.

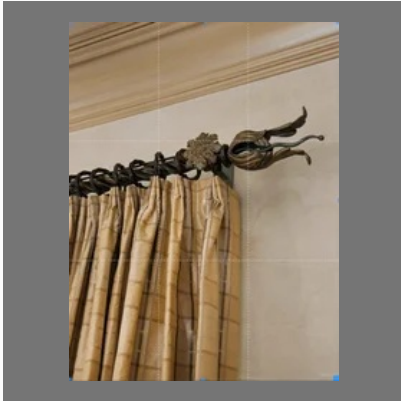

We are continuously progressing under the able guidance of our mentor, **Mr. Ramana K. V.** Capitalizing on his experience and expertise in this industry, we have been able to carve a niche for ourselves in this domain. Our effective marketing strategy and client centric approach also assists us in catering to the needs of a wide clientele.
