# Spentika Ceramic Pvt. Ltd.

<https://www.indiamart.com/spentikaceramic/>

The finest range of Floor & Wall Tiles is manufactured & supplied by in the market. Further, the offered range is widely praised for its reasonable pricing, superior sturdiness, finishing, resistance to heat and attractive design.

## About Us

Incorporated in the year **2011**, **Spentika Ceramic Pvt. Ltd.**, is known to be one of leading manufacturers and suppliers of this impeccable and diverse range of Floor & Wall Tiles. The range offered is inclusive of the finest Digital Wall Tiles, Ceramic Wall Tiles, Floor Tiles and many more, that are widely desired and demanded. Its making is done in accordance with the set industry norms and guidelines, utilizing the finest raw materials and modern machines. Owing to this, its sturdiness, durability, finishing, elegance and resistance to heat, is widely acclaimed. In addition to this, the offered range is marked at the most reasonable rate possible.

For the purpose of maximizing our reach in the market, we keep upgrading our infrastructural facility on a highly regular basis. For reasons of attaining several of the predefined goals and objectives of the firm, we have laced the facility with all the necessary machinery and equipment. For the purpose of managing the operations of the firm, in the most effective and smooth manner, the facility has been parted into several units. These units, highly operational in nature, help us in the boosting of the firm's production capacity. In addition, our huge and reputed client base is owed to our abidance of industry set guidelines and work ethics.

Under the leadership of our skilled **Mr. Raj Patel**, we have managed to attain greater heights of success in just 3 years of our existence....
