About Us

SPICE CNC training centre to provide training and placement for more than **19,000 students** in CNC and CAD/ CAM Manufacturing Industries around the world. We are the major training centre in providing technical assistance for CNC, CAD/ CAM in and around tirunelveli for the past 9 years. We are the first private CNC training centre issuing government registered certificate in Tamilnadu. Our separate company training division exclusively trains employees and employers. We provide implant training for company staffs and college students. We understand the complex world with its ever growing market, changing technologies and employee attrition that keep shifting and changing and thus we realize the importance of preparing skilled man power in high-end technologies. Being prepared can only result in success. With this view, our education and training programs focus on providing high-end technical education and training. With over a decade of experience in delivering various training programs with an objective of empowering Individuals and Enterprises with knowledge of emerging technologies, SPICE CNC has built its own brand in training industry. Our proven track record of high quality training, technical excellence and team of highly qualified, certified, talented instructors with proven industrial experience, made SPICE CNC as best in its class and created brand image through the word of mouth. We have the record of training no. of students from...
