S P J Electricals

<https://www.indiamart.com/spj-electricals/>

We are engaged in the manufacturing, supplying, trading and exporting of Distribution Board, Control Panel and many other products. We are manufactured these products by using high grade material and latest technology.

About Us

SPJ Electricals is the most prominent **manufacturer, supplier, trader and exporter** of **Distribution Board, Control Panel, Electric Panel** and many other products. We are basically **sole proprietorship** based company, which came into existence in the year **2003** at **Kolkata in West Bengal, India**. Finest quality material and advance technology is used in the manufacturing of these products. Also, our products are known for their smooth functioning, excellent performance, high textile strength, long functional life, high reliability, fine finishing and many other quantities. We also get appreciation from clients regarding the advance technology of our products and this is possible due to the innovative ideas of our skilled processionalals used in their manufacturing. **Our major export markets are Dubai, Malaysia and South Africa**. The dedicated team of experienced technocrats helps us to fulfill the diverse requirements of the clients within a given time period. Our team includes Electrical engineers, Quality controllers, Technicians, Allied staff, Sales and Marketing personnel, Warehouse and Packaging personnel and R& D personnel. **SPJ Electricals** is counted amongst the well known and prestigious companies of the industry due to the guidance and supervision of our reputed **proprietor, Mr. Shiba Prasad Jana**. His years of experience and vast industrial knowledge help him to run the business effectively and...
