## About Us

"**Shivling Design (A Brand of Shri Pithad)**", was established in the year **2002** as a reputed manufacturer, supplier and service provider of wide range of Designing Stall and Services. Our products including Exhibition Stand, Trade Show Booth and Stall Design Services are designed to fulfill the exhibition needs of our clients within a variegated range. All the products that we offer are custom designed as per the clients' specific requirements to fit their particular needs. We ensure that all our products are constructed using high quality raw materials including industrial grade steel, polycarbonates and textile for added functionality and strength. We endeavor to continually serve our clients with the help of an efficient client servicing division which maintains a communicative approach towards our clients with a personalized touch. Our large base of clients is growing with time and we stand our ground on continuing to provide each client with impeccable solutions.

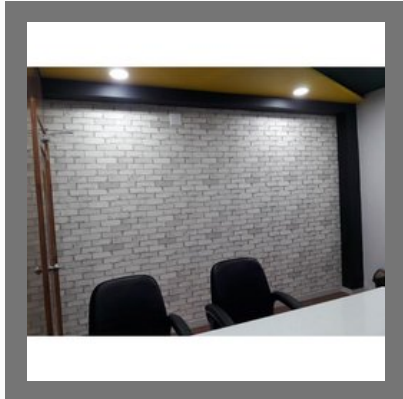

Our organizational premise is located within an industrially adept campus, where each department is deployed as per the specialization each has. Our manufacturing division is equipped with all the latest machinery and tools that are necessary for the continued production of our products. We manufacture each product keeping in mind the exact specifications described by our client for unmatched productivity in all spheres including design, space optimization and storage...
