Our company has positioned respectable status in the market by manufacturing, exporting, supplying and importing a technically advanced range of Special Purpose Machines, Lifting Equipment and many more.
About Us

S.P.M.Fab Tech Industries has emerged as a sole proprietorship firm, in the year 2013. Ever since our establishment, we are engaged in **manufacturing, exporting, importing and supplying** a comprehensive range of **Lifting Equipment, Material Handling Trolleys and Special Purpose Machines**. We are also engaged in providing Industrial Fabrication Works to our valuable clients. We assemble our range using branded components, which further improve their efficiency and make them highly preferable in the industry. Components and other material are sourced from the most trustworthy and authorized vendors of industry, whose selection have been made by us after rigorous surveys of industry. We have incorporated latest technology and methods of production, which further have enabled us in enhancing our manufacturing capacity and meeting the upcoming specifications of our respectable clients. By using quality components, our products are highly preferred and acknowledged by the clients for their features such as sturdy construction, hassle free operations, long functional life, precise engineering, corrosion resistance, high functionality and many others. Moreover, our assurance to deliver production within stipulated time period has enabled us to garner the trust of vast clientele that is based across the country. **Mr. B.B.Manjunath** is the Proprietor of our organization, who has played the major role in establishing our name in the list of...
