We are the noted Manufacturer and Exporter of Construction Machinery, Agriculture Braking Kit, Automobile Service Tools, Hydraulic Power Pack and Industrial Press.
About Us

Based at Pune (Maharashtra, India), in the year 2008, we, “S. P. M. Hydraulics”, are highly engaged in manufacturing and exporting a qualitative assortment of Construction Machinery, Agriculture Braking Kit, Automobile Service Tools, Hydraulic Power Pack and Industrial Press that are appreciated among our clients spanning across the globe. These products are fabricated using a superb quality raw material as per the set quality standards of the international market. The raw material used to manufacture these products is procured from some of the authorized and experienced vendors of the market. Products offered by us are widely acknowledged among clients for their high efficiency, minimum maintenance, robust construction, extended durability and excellent functionality.

Under the guidance of our mentor, “Mr. Suresh Mishra”, we have achieved the acme of success. He is highly knowledgeable regarding the parameters of the industry and has consistently inspired us to manufacture & provide the finest quality products to the customers.
