SPS Hospitals has been setting standards since its inception in 2005.

Guided by Sri Satguru Jagjit Singh Ji's vision of making international quality healthcare accessible to the people of Punjab,

About Us

SPS Hospitals has been setting standards since its inception in 2005. Guided by Sri Satguru Jagjit Singh Ji's vision of making international quality healthcare accessible to the people of Punjab, the hospital was set up in collaboration with one of the world's most respected healthcare companies, **SPS Hospitals Group**. The modern state of the art 350 bedded hospital has the most eminent panel of medical professionals many of whom are leaders in their respective fields, a well-trained paramedical staff and the most skilled & caring nursing professionals Backing them is the best healthcare infrastructure and the latest state of the art equipment supported by cutting edge technology. The relentless pursuit of excellence is reflected in SPS Hospitals adherence to the best protocols and standards in patient care and clinical services. SPS hospitals today stands tall as the first hospital in South East Asia to be accredited by the prestigious Joint Commission International, USA within 2 years of operations. The hospital was successfully re-accredited by the Joint Commission International in February 2010 and February 2013.
