About Us

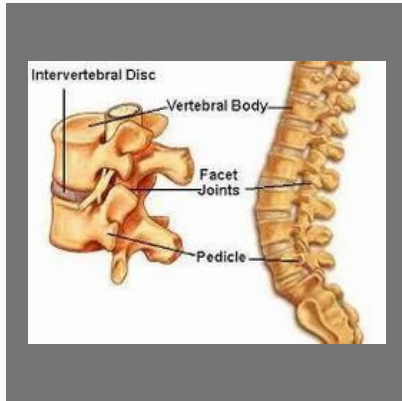

Agasthya Research Products is an ayurvedic pharmaceutical company which is manufacturing research products. The House of Agasthya is guided by traditional and renowned Ayurveda acharyans (Medical Practitioners) who are the descendants of a 300 year old Ayurvedic families. Though Agasthya has been famous in classical medicines through vast experience & intense research, Agasthya was forced to give more importance to the patent medicines (Research Products) in order to tackle incurable diseases of the present.
