Manufacturer of wardrobes, drawer cabinets, designer kitchens, beds and shelves.

About Us

COMFORT utilizes the latest design and manufacturing technology available today. Our state-of-the-art manufacturing facility is located at, Shakthipura, Balanagar, Hyderabad and equipped with both indigenous and imported machinery. Our facilities includes Hot Press, Sizer Machine, Postforming Machine, CNC operated edge banding machine, boring machines, edge trimming machines, Power Press and powder coating units.

We envisage to install CNC Production Centre, CNC beam saw, Membrane press and Finishing Lines to produce more precision engineered furniture by the piece or in volume. Our research efforts are driving towards a first of its kind modular system which does not have any Vertical Supporters for table tops to provide ample leg space without any hindrance. And we are also working on total acoustic modular work systems for more comfortable work spaces.

“Quality and Flexibility are essentials in today's "electronic" office space and Smart Homes. Our effective project management expertise and research driven engineering and manufacturing techniques will deliver you the desired output with international standards. We implement “old school” craftsmanship with Computer Aided Manufacturing for rapid turn around and custom Finish to each of your project's specifications”

We have a production capacity for manufacturing 800-1000 workstations per month and anticipating to double the same, by employing an additional 80-100 personnel...
