

# Sree Karmik

<https://www.indiamart.com/sreehomes/>

A constuction company with over 20 years of experience in building repair. We structurally and aesthetically make age old homes more habitable and last as new with operational warranty. Critical sites and aged buildings are our USP.

## About Us

Sree Homes is a construction company that was founded in 1995. It is one of the three companies of the sree group that is a growing conglomerate on Textile, Renewable energy, Construction and Engineering industry. SH has completed over 50 projects from villas to farmhouses and bungalows to apartments that stand and operate with ease over time. We offer a free service for our renovation projects by giving an operational warranty, especially for waterproofing works, sub-soil drainage and Waste drainage systems. The Avid engineers in SH work tirelessly to bring about the vision of the founder - to make engineering simple and deliver a quality product at affordable cost. Our clientele is composed of normal people who wanted an investment on a building to hold long and good for the times to come and it has been the sole driving force of our business.
