About Us

Sree Manjunatha Fabricators came into being in **1999**, as a **sole proprietorship**, and carved a niche as the renowned **manufacturers** and **wholesaler** of the wide range of **UPVC Window,UPVC Door,Portable Cabin,Door Frame,UPVC Partition,False Ceiling Services,PVC Wall Panel** and **many more**. We are also the **service provider** ofUPVC False Ceiling Services. Perfect finishing, easy installation, availability in various designs are few traits of the products offered by us. We started our business with an aim to deliver the best range in the market. Doors supplied by us are fitted carefully with double glazing, 6 point high security lock, reinforced frames and toughened glass. We ensure complete safety to the customers with our exquisite product range. Quality of our products and dedication towards the work has enabled us to win the trust of esteemed clients such as **MES, PWD, CPWD, AIRFORCE, BSNL** and many other private firms. Apart from offering high quality products we also provide designing, supplying and fabricating of pre-fabricated portable houses and cabins. Working under the skilled and astute guiding principles of **Mr. Ashok C. Navalli**, our company has marked a distinguished niche in industry. He is a person behind the growth of our firm and due to his sound domain intelligence, managerial qualities, farsightedness and rich industrial experience, we have established a remarkable position...
