About Us

Sree Vigneswara Agencies was established in the year 1980. We are leading Wholesaler & Supplier of Bituminous Membranes Roll, Waterproofing Membrane etc. Our Bituminous Primers is suitable for undercoat for walls, asbestos, concrete, cement before finish coat. It gives a suitable substrate for wall finishing. It is thinned with potable water to achieve applicable consistency. It provides a few special features to substrate as easy brushing, alkali resistant, excellent covering, quick drying and better sealing power.

Roofing Compound is a cold applied bituminous sealing compound manufactured out of special grade of bitumen with mineral fillers in a drying solvent. It is available as putty form. It remains like a plastic for a considerable length of period stopping water leakage of rain water on roof cracks.
