About Us

Our Founder and Managing Director Mr. K.S. Sivakkumar, a dynamic business man has started this organization in the year 2003, Sri Achariya Group is growing up exponentially. Now the group has three units currently engaged in activities ranging from leather processing to producing finished shoes. Our team comprises of qualified professionals and experienced technicians, whose average experience is more the 15 years in the shoe industry. The entire team is quality conscious and our emphasis is on customer satisfaction. We are giving importance to Customer and Quality. Our collections are designed for and reflect the strong personality of an unconditional and well determined people who's looking for quality, purity, sophistication and simplicity. Our Motto is 'CUSTOMER SATISFACTION WITH QUALITY AND ON TIME DELIVERY'. Our group has built up strong customer relations through confidence building measures and an atmosphere of trust and friendship. Every customer is assured of full confidentiality in terms of style, quality and price. We are always ready to comply with our customer requirements in every aspect of factory set up, pre & post production matters including sampling procedures, product standards, product safety, shipping, etc and labour-laws.
