About Us

Shri Chawla Handicrafts is a Moradabad, Uttar Pradesh-based Manufacturer and Supplier of wide collection of Interior-Exterior Decor Products. Active since 1993, our company is scaling new heights of success with optimistic approach and extreme guidance of **Mr. Sandeep Chawla** (CEO). His 38 years of valuable experience and in-depth industry knowledge have supported us to carve a respectable niche in this domain.

Infrastructure

Strategically designed and segregated in different functional departments, we have developed a sophisticated infrastructure. The manufacturing unit is spread across 500 square feet and is equipped with all basic amenities that are certainly required during production phase. We make use of handheld tools as we pursue traditional manufacturing methods such as precious handwork which astoundingly do not have any influence over production capacity.

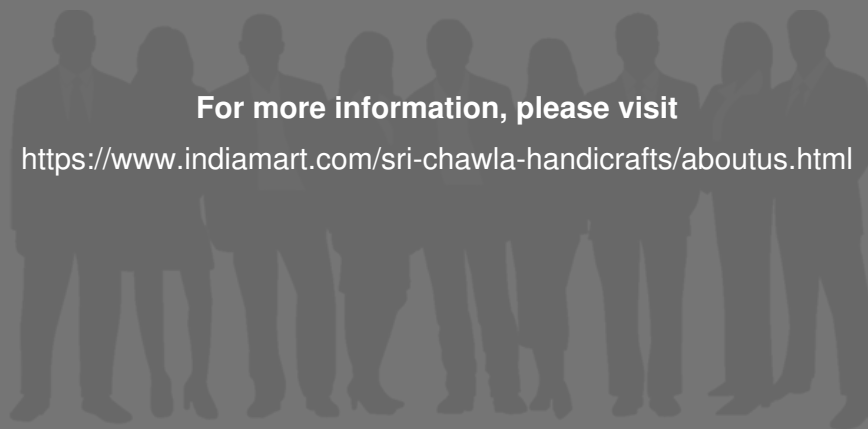

Quality Assurance

Right from procurement of raw material such as brass, wax and other embellishments, to final shipment process, the highest grades of quality are maintained under strict supervision of experienced industry professionals. Without tampering integrity on any ground, we maintain reasonable pricing policy. Before, approving consignments for final delivery, products are strictly checked to ensure :

- Size and dimensional precision
- Durability
- Design
- Polishing &...
