Sri JMG International Import and Export has formed high-end fine arts marketing, professional exhibition, print media.

About Us

Sri JMG International Import and Export has formed high-end fine arts marketing, professional exhibition, print media, modern arts and crafts collection and auction as well as culture services. On the basis of further exploration and integration of modern arts and crafts cultural resources, China National Arts and Crafts (Group) Corporation innovates its arts and crafts cultural operation modes, deeply enters other operation and service fields concerning arts and crafts, establishes the Chinese arts and crafts trading service platform and builds a comprehensive culture chain horizontally integrating arts and crafts evaluation and appraisal, collection and auction, investment and leasing, as well as arts and crafts cultural exhibition and international communication, media and cultural transmission.
