Sriram Foams Private Limited

<https://www.indiamart.com/sriram-foams/>

We are a well managed organization engaged in manufacturing and exporting of polyurethane products that are used in furniture industries, bus body building industries, Pipeline cleaning pigs, Polyurethane Elastomer products.

About Us

Started in the year **1999**, **Sriram Foams Private Limited** has excelled in making all types of polyurethane products including flexible, Integral skin, rigid and castable elastomers. Our organization is managed by our Founder and Managing Director **Mr. P. Muthukumar** who possess wide industrial knowledge and proficient in his tasks. It is under his tutelage that our foam techniques have been developed and our production process have been planned in such a way that we have captured a wide market share in the domain we operate. In today's modern times, people are giving more emphasis on the finish, style, and elegance especially when it comes to interior and decor products. Similarly when it comes to seating, comfortable seating is becoming the order of the day. Various companies are emerging in market every now and then with their cushion and foam products. We, at **Sriram Foams** understand the desires and requirements of modern customers and fulfill their requirements by manufacturing cushions and foam products which are comfortable and durable.

Our company has established itself as a leading manufacturer and exporter offering the best cushion products at an affordable price range. Over the years, our matchless foam products which come in many designs at cost effective rates have placed us at the pinnacle of this business domain. We offer supreme range of foam products in a finish that matches with the best in the world. The company for...
