## About Us

Sri Vinayaka Infra is a diversified company and executing projects in several sectors like Transport, Energy & Power, Mining, Buildings, Marine, Real Estate etc.

Sri Vinayaka Infra is one of the construction leaders in India executing projects with consistent quality assurance, cost control and adherence to milestones in a safe environment as per the customer requirements. It promotes the culture of sharing rich and varied experience with staff members, as also with clients and thereby benefits and helps the growth of the construction fraternity and society at large.

The Company has been closely associated with the country's infrastructure building projects spanning almost all the gamut of construction industry.

We plan to achieve this through the unique combination of experience and expertise, innovation and vitality we bring to projects in the most exciting developing city in the world.

Of course, while we strive to achieve our goals we keep paramount that earning the respect of our customers, suppliers, associates and competitors at top priority. Being Strong, experienced and utterly committed, we also bring our traditional family values of fairness, honesty and openness to bear on modern and innovative ways of working and developing businesses.
