<https://www.indiamart.com/sriyanidesigners/>

We are the pioneers to provide a complete range of products for **"Remedial Waterproofing"** using "Polyurethane Injection Resin, Resin Injection Pump, Resin Injection Pump Spares and many more products.

## About Us

Established in the year **2004**, our company "**SRIYANI DESIGNERS**" is committed to provide technically innovative products and solutions for the construction and infrastructure industry. Formed as a **Partnership** entity based in Bengaluru, Karnataka, we are a company renowned for **import, supply, manufacture and trading** in the specialist field of remedial waterproofing using our "Polyurethane Injection System" range of products. We are a "One Stop Shop" specializing in offering products in a complete package in its totality such as **Polyurethane Injection Resin, Resin Injection Pump, Resin Injection Pump Spares and many more**. Our innovative product range has garnered a wide customer base across the nation and our association with renowned road and air logistic operators ensure safe and timely delivery to our customers.

Our mentor and **Manager, Mr. Sandeep Savardekar** is technically qualified and possesses vast experience in this arena thereby providing our customers with the appropriate materials and know-how in the field of remedial waterproofing using our polyurethane injection system products. This holistic approach positions our company beyond mere "product marketing and sales strategies" and enables us to become your trusted partners who can provide quality products and effective solutions to your challenging project scenarios. Our dedicated workforce are highly efficient and competent thereby providing much needed...
