About Us

SRL Diagnostics is a leading and reputed Pathology Lab network. We are the only Pathology Lab Network in India to have 12 Reference Labs, 4 Centers of Excellence and 275* Network Laboratories with a footprint spanning over 5700 Collection Points. We offer more than 3500 tests, using the most advanced state of the art technology supported by our highly skilled personnel. Today, SRL is conducting more than 100,000 tests in a day, ranging from simple to high-end tests. Through its network of laboratories, SRL offers an all inclusive collection of diagnostic facilities including an extensive range of specialties in Pathology services. In addition, SRL also offers a host of other services like Radiology modalities including Computed Tomography (CT), Diagnostic Radiology (X-Ray), Magnetic Resonance Imaging (MRI), Ultrasound and Positron Emission Tomography ("PET"). SRL is known to be one of the most renowned Pathology Lab centres that has a dedicated R&D division, which is ISO certified and also recognized by the Government of India's Department of Scientific and Industrial Research. SRL is a trusted name in the field of Pathology services providing quality diagnostic, prognostic and monitoring services to other path labs, hospitals and patients. It also provides Clinical Research services by conducting Phase I-IV clinical trials for Multinational and Indian pharmaceutical and biotechnological companies, thereby supporting their international regulatory submissions.
