We are one of the leading traders and suppliers of a wide range of Industrial Power Generators and Generator Spare Parts. Apart from this, we also provide Generator Diesel Operated Repair Services and Generator AMC.

About Us

Established in the year **1980**, at, New Delhi, India We, “**SRM Engineers**”, are one of the leading organizations engaged in trading and supplying a wide range of **Industrial Power Generators and Generator Spare Parts**. These offered products are widely used in Residential, Commercial and Industrial areas and are acclaimed for sturdy construction, easy installation & maintenance and reliable performance. Procured from the trusted vendors of the market, these products meet the diverse requirements of customers based across the country. Widely used in Big Apartments, Super Markets, Mobile Towers, Banks and Factories, our offered Industrial Power Generators are available in different models that can easily carry the load of electrical energy in a single step. Moreover, we also offer Diesel Genset, DG Sets, Generator, Industrial DG Sets, Silent Diesel Genset and many more.

Apart from offering the range of Industrial Power Generators and Generator Spare Parts, we also provide after sales services on these products. We provide Installation Training, Onsite Support, Operational Training, User Manual, Repairing on the offered industrial power generators as per the requirements of the customers. We also provide paid samples of the products to meet the diverse requirements of the customers.

Under the able guidance of our mentor, '**Mr. H. P. Goyal**', we are able to establish a strong foot hold in this competitive market. His...
