About Us

SR Papers started its flagship brand "Fresh" in 2010 with a production capacity of 120mt/annum at its Chennai factory. Over the years, the company has grown and expanded its manufacturing having a pan India presence in 3 locations and a production capacity of 12000mt/annum as on date(2020). A high emphasis on quality and service with a strict focus on being environmentally responsible has allowed the company to achieve a strong uninterrupted growth over the years. SR Papers has a commitment to follow and implement responsible and sustainable "Green Initiatives" in the full end to end manufacturing process. The Fresh Green Promise: Today hygiene, Tomorrow's health, We care for the Planet-a safer future for today's generation and the future generations.
