

Srushti Herbal Pharma

<https://www.indiamart.com/srushti-herbalpharma/>

Manufacturer of infex-antimicrobial, specially in upper respiratory tract inf, surasa -antacid and antiflatulent.

About Us

Srushti Herbal Pharma manufactures natural health care products. Srushti, which means creation or new invention, brings consistency, quality and scientific validation in creating new formulations based on classic Ayurvedic principles for various therapeutic needs.

Clinically proven and testified by Ayurvedic practitioners and numerous people on its efficacy, Srushti's products are made from high quality standardized herbal extracts in easy to take capsules, tablets and syrups. Unlike other ayurvedic formulations, the products are consistent, its positive effects repeatable and makes it convenient and palatable to administer.
