## About Us

SSDE is a group of company involved in different activities manufacturing, importers and exporters for Air Compressors, Mining and Drilling Equipments.

A SSDE established in 1999 with the activity of Trading in Mining and Drilling Equipments, diversified in 2008 with manufacturing and export for Replacement Spares and Accessories for Air Compressor, Pneumatic Tools, Mining and Construction Equipments.

We carry substantial stock of most fast moving spare parts for immediate shipment. For your convenience, we will be pleased to quote against your specific enquiries.

We warranty that all supplies meet or exceed the Original Equipments specification and will be free from defects in material and workmanship.

We can also develop any new / obsolete parts as per your drawings or samples.

SSDE is an independent supplier of replacement spare parts for Mining Equipments and is not affiliated with manufacturers mentioned in this web site. All manufacturer's names, numbers, symbols, photos, product description and/or part numbers are used for reference purposes only & it is not implied that any part listed is the product of these manufacturers.'
