# SSG Software Systems Private Limited

<https://www.indiamart.com/ssg-software-systems/>

**SSG Software Systems Private Limited** is engaged as a **manufacturer** of GSTGSS Compliant Software, GSTGSS ERP and billing Software, etc.

## About Us

We, "**SSG Software Systems Private Limited**", are a Software product company engaged in **manufacturing** from Bangalore since **1997**. We have been maintaining products of IT companies from the US and other English speaking countries. Currently we are focused in developing and offering the **GSTGSS Compliant Software, GSTGSS Software** - a GST compliant Goods and Service Sales Software - in premise, Windows ERP software for GST Billing. Honesty is our main policy. We want to be a world class software Product company in the model of US software product companies. Our Products codesigned by VERISIGN, Version Managed, Antivirus checked by AVAST and ANTIMALWARE software - all these investments are to protect our customers. Our website is also SSL certified. Many of Our products are downloadable from our web site - however, some of our products are web based and some are not downloadable. Since we work in the shareware model for most of our products and since we continuously upgrade versions of our products and upload them to our site - users and customers gets the upgrade before even asking for it.
