About Us

SSRA is best illustrated for providing wide spectrum of services at one stop. SSRA brings together the synthesis of six conglomerate companies offering both local and international services to the clients, services range from Accountancy, Taxation, Audit and assurance, legal consultancy, litigation, warehousing agency, recovery and enforcement.

Wide Range of Professionals Services: Ability to provide and implement innovative professional services and effective solutions at competitive cost.

Long Term Relationship Approach: Associative approach throughout the developing processes, providing different services under one umbrella. Client not required to interact with multiple agencies, thereby freeing management time from dealing with micro issues.

Experienced Professional: Senior key professionals have significant and hands on experience on different services provided. Their in-depth Knowledge of the trade and its impact on the economics, benefits the client and providing him a leading edge over its competitor.

Extensive Global Network: SSRA along with its associates, specialities and experts on call has built up a global network to assist on cross border issues.
