## About Us

A warm welcome to all our Students, Staff, Parents and Visitors to our new official School Website !!It's my pleasure and privilege to serve as the Manager of St. Augustine Schools ... not only because it's my Passion, Vision and Dream of my late mother Mrs.D.Phillips . But also because I enjoy the company of my dearly loved students and talented and zealous teachers who keep me energized all the time.

Our children represent our hopes and dreams. As a parent, you certainly want the best for your child and we are indeed happy to be working with you to ensure that they are given the right knowledge to face future challenges.

Please take some time to explore our web site. You will walk away from the experience with a better understanding of how our school assists in the development of your children. However, the web site offers only a small glimpse of what the school has to offer. We encourage you to get involved because it is only through parental and community involvement that a good school becomes great. We will work together – parents, students, teachers and the community- to focus on meeting these needs so our students can become successful leaders of future generations.

The Management, Parents, Students and the Teaching Fraternity are a team and complement each other's efforts. Education is not just a process of giving knowledge for a high profiled job but a lifelong process which creates an understanding of moral and ethical values...
