About Us

Soft Crayons is one of the best place to get trained by most experienced professionals in the industry. We at Soft Crayons believe in learning with fun and opportunities. Our training facility provides professional instruction rooms, computer labs and never ending helping hands. Our certified instructors and smaller classes to promote more effective learning. Soft Crayons was established in 2011, by the professionals who posses experience of several years in the field of development and corporate training. High quality training and development experience is one of our visions.
