## About Us

On June 19, 1978. St. Juliana Nursery School was started in June On February 17, 1983 the foundation stone was laid for the St. Juliana's School and the completed building was blessed on 15th September 1983.

St. Juliana's Senior Secondary School is run along the lines of the best schools in educational practices. It provides a cutting edge academic programme with state-of-the art infrastructure and facilities. It aims at forming leaders who will champion the cause of justice, love, truth and peace and who are ever open to further growth. Education for complete living has been the watchword of all its educational projects and programmes.

St. Juliana's believes in 'holistic' education. We seek not to merely educate but to inspire. We give our students the opportunity to excel in academics, sports and extra-curricular activities. St. Juliana's Senior Secondary School is run along the lines of the best schools in educational practices. It provides a cutting edge academic programme with state-of-the art infrastructure and facilities. Our mission is to inspire, excite and reach out. We dedicate ourselves in providing specialized and innovative means of teaching stressing individual attention for better results. We stress on active learning. Our students from diverse backgrounds shoulder their responsibilities in doing their best. We strive to respond to the need and care of the students through the active participation of the policy and decision makers. Our commitment...
