About Us

SSPL is a project management company primarily in the EPC/infrastructure sector providing services and solutions on pan-India basis. Our highly skilled young team has been delivering projects in diversified industry segments. We have rich experience in managing projects for sectors ranging from Oil & Gas to Telecom. With a growing presence across India SSPL is never very far from its customers. It is gradually being recognized by its limited but niche client base as a dependable source who are competent, ethical & professional service providers. SSPL has been offering comprehensive & customized technical services to its Niche customers and is fast broadening its client base to include leading corporate houses and public sector organizations.

SSPL provides diverse services in Management Systems - Quality, Environment, Safety, Information Technology, and Social accountability, Training in allied areas like Lead Auditor, Internal/External Auditor Courses and Third Party Inspection.

Further capable of executing turn-key projects in totality, delivering end to end solutions which include the process of Procurement, man power supply, logistics, construction and maintenance.
