About Us

Standard Automobiles is a firm believer in quality.

Our mission is to work effectively and efficiently to provide our clients with superior quality products.

Standard Automobiles is a leading manufacturer, exporter and supplier of all types of Spare Parts & accessories for various kinds of Motor Cycles. Having acquired 35 years of professional experience in this field of spare Parts and accessories, the company management through its far sightedness has tried to add all the market advantageous features in the company products. This is visible in the product durability making them comparable to the best in the industry.

Standard Automobiles is fastest growing company in the Auto spare part industry, having all India presence with 1500 Dealers & Distributors across the country. Offering wide range of spares for Motor Cycle ... over 7000 varieties Big Thrust and investments in Quality Control. Industry's best performer in customer servicing.

The company aims at making high quality products available to its customers, which are competitively priced as per the current market economics, and are also delivered promptly as per the said schedule. This has helped the company to successfully establish its business relationships with, both, big and small prestigious Dealers and Distributors in various parts of the country. Standard Automobiles is currently looking towards expanding...
