About Us

We take great pride to introduce ourselves "Standard Constructions" (Civil engineers, Contractors & Developer's) in Maharashtra embarked in 2005 as a registered Government Contractor. The company has completed numerous projects in Maharashtra as a registered contractor with PWD & other private sectors having entered the industrial, Residential, Institutional & commercial segment. We offer complete turnkey solution for all types of building construction services, Industrial Construction projects, Institutional Construction projects, Residential Construction projects, Road works, minor bridges & Culvert construction work, Aluminum Doors, windows & partition works. With simple mission to offer quality par excellence, Standard Constructions takes pride in imbining values like integrity & transparency in work. One of the companies' key feature is offering our clients the quality control aspects with a better economical output without violating the norms of IS codes meant for the sound & safe construction work which has helped them win their trust. High quality of construction, eco-friendly practices & project delivery within strict framework of time schedules to client as committed, has helped the company earn goodwill & a name that personifies excellence. On 1st July 2015, the company was renamed & re-registered as "Standard Constructions Engineers, Contractors &...
