

Star Enterprise, Ahmedabad

<https://www.indiamart.com/starentp/>

We are one of the leading manufacturers, suppliers, exporters and distributors of a wide gamut of material handling equipment, loading trucks, metal ladder.

About Us

Established in the year **1993**, '**Star Enterprise**' are engaged in manufacturing, supplying, exporting and distributing a wide range of Material Handling Equipment such as **material handling stackers, metal ladders, trailers & trolleys, racks & storage systems, scissors lifts, castor wheels, fork lift trucks, pallet trucks, platform trucks, pallet & leveler**. These are used for various industrial applications and are known for the features like precision, perfection, quality, durability, easy operation and low maintenance.

Backed by a team of expert engineers and skilled workforce, we stand out in offering our clients a flawless range. Further, we also offer the after sales services and this has made us a trusted organization among others. In addition to this, we have employed a team of quality controllers who keep a stringent check on the parameters of quality so as to provide our clients with the zero defect range. In addition to it, we manage to conduct a unified process of production such as designing, drafting and finishing to get a flawless range of material handling equipment. The manufactured equipment are appreciated by the clients for their unique features like corrosion resistance, robust design and easy operation. Further, we have been able to establish our presence across the globe and we have been catering to a large clientele base.
