We "Stellar Exim" are one of the upcoming Chemicals & Solvents Importers and Dealers Serving a Multitude of Industries in India.

## About Us

**Stellar Exim** is one of the upcoming Chemicals & Solvents Importer & Dealers in India. Here at Stellar Exim, we measure our success by our ability to fulfill customers orders with the highest degree of efficiency and reliability. Representing major World's giants in Chemicals & Solvents, our market-focused sales & technical teams offer a solution to customers problem utilizing our comprehensive and complementary product portfolio. We never compromise on quality, and thus, our chemicals are imported only from internationally established corporations. We believe that our employees are as precious as our customers, and this reflects in our employee-rewarding and general worker satisfaction in our firm. Through a Knowledge Management System(KMS) software, we integrate all the latest and relevant market data in order to carry out business with increased efficiency. Our business is pillared on the foundations of a sturdy research and development background, and we maintain this orientation throughout the process of gathering quality products. Our yardstick of success is the extent of client-satisfaction we can garner, and that is the motto we stand by
