Stratechem manufacturer and supplier of benzenesulphonyl chloridr, benzez sulpnonic acid, methyl para toluene sulphonate, para chlorobenzenesulphonyl chloride, para chlorphiophenol, para thiocresol etc.
About Us

Stratechem (I) Pvt. Ltd. (SIPL) was established in the year 2000. Located 50 Km from Mumbai at Taloja MIDC area, the facility is a short distance from India’s main port of JNPT/Nhavasheva and is surrounded by ancillary industries to support its manufacturing activities. Set up as a manufacturing facility to support its parent company Venus Technochem Pvt. Ltd. SIPL now has an identity of its own, both in the domestic and International markets. SIPL is specialized in Esterification, Methylation, Sulfonation and Phosphorus reduction chemistries. Catering to a range of markets and applications such as active pharmaceutical ingredients and intermediates, Coatings, Ultra Violet/Electron Beam chemistries, fragrance and Personal care ingredients.
