# Streamline Pharma Private Limited

<https://www.indiamart.com/streamlinepharma-p-ltd/>

Streamline Pharma pvt. Ltd. is domestic supplier of **herbal health care products** that cause no side effects. Our skills are focused on supplying the ayurvedic medicines that would heal all your body pains and problems.

## About Us

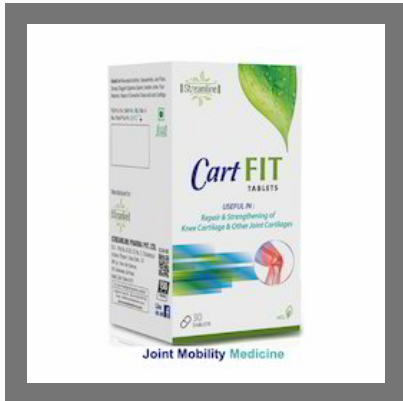

Since March **2006**, **Streamline Pharma Pvt. Ltd.** has worked effectively and diligently at establishing itself as the **manufacturer, wholesaler, trader, supplier** of natural and **ayurvedic medicines**. Our company aims at providing ayurvedic medicines that causes no risk and result in healthy and happy life. Range of products offer by us is **Dr. URI and iHeart**. As Ayurveda is not a new term for Indians. We have been using Ayurvedic medicine from ancient times. We were the masters in providing this art of healing to the world. Till date Ayurveda has a lot of significance and demand in the world. Pursuing the dreams with passion and exuberance, Munish Arora and Ajay Gupta, supplied nature to life through their ayurvedic medicines. Our aim is to cure all your health related problems from head to heel in the most natural way. Especially our medicines are very effective in controlling uric acid in the body, in reduction of swelling, reliving you from all kinds of joint pains, Control cholesterol levels, health care products maintain blood pressure and strengthen heart muscles with no side effects. Our production is segregated into various departments like management unit, quality control unit, research and development unit, administrative unit and skilled/technical unit to manufacture the best quality product. We stress a lot on the usage of superior quality raw material to manufacture our products. With this we can ensure the quick healing of...
