About Us

“We believe that Globalization is an opportunity for sharing. It offers stakeholders the opportunity of addressing Global concerns through the diverse expression of Localized responses. This is what drives our work.” Lotus is a multi-disciplinary design practice whose work seamlessly weaves interior and exterior spaces, from large architectural ideas to the smallest of furniture details. The 40 member team at Lotus is from diverse disciplines of Architecture, Interior Design, Exhibition Design, Furniture design, & Graphic Design. The firm takes a deeply contextual approach to its work and combines this with a strong focus on the tactile and sensory qualities of the space. The design process looks at sustainability through the multiple lenses of cultural, social and environmental impact. There is an active engagement in integrating localized skills and resources with state of the art materials and technologies
