About Us

Ayurveda is a perfect ancient science of life, the word AYUR literally means life and VEDA, the science or knowledge. Ayurveda embodies the spiritual wisdom that ensures long life. It represents the culture that took shape from the pure lifestyle prescribed and practiced by great stages of ancient times. The Supreme goal of Ayurveda is to provide physical, mental, spiritual and moral well-being for the entire humanity. Its aim is holistic to help man to live with Nature, to bring about integration between mind and body, to ensure the creation of a sound mind in a sound body. It seeks to provide permanent and lasting remedies for man's maladies.
